

Caymus Partners creates new entity Caymus Equity Partners

Atlanta, Georgia - July 2009

Caymus Partners, one of the leading investment banks announced today the launch of Caymus Equity Partners. Caymus Equity Partners is the private equity affiliate of Caymus Partners LLC. Caymus Equity Partners was created to invest in profitable middle and lower-middle market companies in attractive niches with strong growth potential.

Caymus Equity Partners focuses on opportunities where it can leverage its prior experience and creativity to generate substantial value through a combination of organic and strategic acquisition growth.

"We very much appreciate the support we received from our board of directors as well as our Limited Partners. We attribute these long-term commitments to the strong relationships we've developed over our investment banking, private equity and operating careers," said Geoffrey Faux, Caymus Equity Partners, Managing Partner.
